(1) Payments by assessees should be received at Treasuries only when they are accompanied by revised triplicate challan forms (noted below) duly numbered and authorised by Income-tax Officers concerned. The existing procedure of sending to each Income-tax Officer, daily after the close of the Treasury transactions, the triplicate foils of the Challans with a covering list will continue.

(2) The cash book of each Income-tax Officer (the register of daily collection) should be sent to the District Treasury for verification before the 3rd of the succeeding month to which the accounts relate and treated as a pass book in which the District Treasury should note the Treasury figures.
